Down on the beach tonight (video) (intro)

C-F-G-G7

C
Say, you'll meet me down on the beach tonight,
F
where you and I could dance till break of day,
G
underneath the stars to soft guitars,
F G
there's gonna be an all night party.
C
Say you'll be there down on the beach tonight,
F
where you and I could dance your tears away,
G
barefoot in the sand, hand in hand,
F C
we're gonna have an all night party.

C G F
1. Little girl, you know he won't call up again,
G C C7
he's out there on the town with your best friend.
F E Am
Don't wait all night by the window, you know it had to end,
F D G - G7
you might as well come down and have a good time.

+ CHORUS + C-F-G-C

C G F
2. Little girl, you know he won't call up again,
G C C7
he's out there on the town with your best friend.
F E Am
So don't cry all night on your pillow 'cause he ain't worth the time,
F D G - G7
you might as well come down and join the party.

+ CHORUS (2x) ...

(The Drifters)
