Don't **[G]** worry about a thing,
'Cause **[C]** every little thing gonna be all **[G]** right
Singin' don't worry about a thing,
'Cause **[C]** every little thing gonna be all **[G]** right

Rise up this mornin', smiled with the **[D]** risin' sun,
Three little **[G]** birds pitch by my **[C]** doorstep
Singin' **[G]** sweet songs of melodies **[D]** pure and true,
Sayin', **[C]** this is my message to **[G]** you-ou-ou

Don't **[G]** worry about a thing,
'Cause **[C]** every little thing gonna be all **[G]** right
Singin' don't worry about a thing,
'Cause **[C]** every little thing gonna be all **[G]** right
