A Thing Called Love *(by Johnny Cash) { 1971 }*

{ written by : Jerry Reed }

Intro: [G] x4

Six foot **[G]** six he stood on the ground,
He weighed two hundred and thirty five pounds
But I saw that **[Am]** giant of a man brought **[D]** down to his knees by **[G]** love **[G]**
He was the kind of a **[G]** man who would gamble on love
Look you in the eye and never back up
But I saw him **[Am]** crying like a little whipped **[D]** pup, because of **[G]** love

[G] You can't see it with your **[G]** eyes, hold it in your **[C]** hand
But like the **[Bm]** wind that covers our **[Em]** land
Strong enough to **[C]** rule the heart of every **[Am]** man, this thing called **[D]** love
It can lift you **[G]** up, never let you **[C]** down
Take your **[Bm]** world and turn it all a-**[Em]** round / / / | / /
Ever since **[G]** time nothing's ever been **[D]** found that is stronger than **[G]** love

Most men are like **[G]** me they struggle and doubt,
They trouble their minds day in and day out
Too busy with **[Am]** living to worry a-**[D]** bout a little word like **[G]** love **[G]**

But when I see a **[G]** mother's tenderness,
As she holds her young close to her breast
Then I thank **[Am]** God that the worlds been **[D]** blessed with a thing
called **[G]** love

You can't see it with your **[G]** eyes, hold it in your **[C]** hand
But like the **[Bm]** wind that covers our **[Em]** land
Strong enough to **[C]** rule the heart of every **[Am]** man, this thing called **[D]** love
It can lift you **[G]** up, never let you **[C]** down
Take your **[Bm]** world and turn it all a-**[Em]** round / / / | / /
Ever since **[G]** time nothing's ever been **[D]** found that is stronger than **[G]** love
