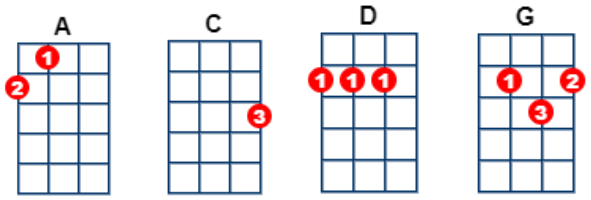
Field Of Dreams – Low Roar (2025)



[D] Heard you found a boyfriend
A **[C]** dapper man in white
There's a **[D]** long way left to go
I'm **[G]** sure he'll drive you home
He **[D]** swears he'll bring you back soon
In the **[G]** quest **[D]** of the **[C]** dream

It's not what it **[C]** seems
It's not what it **[A]** seems

[C] *He said he need help, so you lent your hand*
[C] *Little did you know he's a troubled man*
[G] *Keeping you in check with a devilish smile*
[G] *Complementing you, so he'd stay a while*
[C] *And what seemed so wrong.*
[C] *Felt so right.*
[G] *Feeling safer than he ever felt before*
[G] *Not a scratch of fear or any doubt*
[C] *But it's too late, now.*
[C] *It's too late now.* ***[G]***

(***Outro***)
[D] Today I'll be remembered
To-**[G]**morrow **[D]** just a **[C]** dream
It's not what it **[C]** seems
