[D] I'm getting married in the morning.
[D] Ding-dong the bells are gonna chime.
[A] Pull out the stopper, let's have a whopper,
[A] But get me to the **[A]** church on **[D]** time.

[D] I gotta be there in the morning,
[D] Spruced up and looking in my prime.
[A] Girls come and kiss me show how you'll miss me,
[A] But get me to the **[A]** church on **[D]** time

[D] If I am **[G]** dancing, roll up the **[D]** floor.
[D] If I am **[E7]** whistling, (whistle) me out the **[A]** door.

[D] I'm getting married in the morning.
[D] Ding-dong the bells are gonna chime.
[G] Kick up a rumpus, but **[A]** don't lose the compass,
And **[D]** get me to the church,
[D] Get me to the church,
[D] Be sure and get me to the **[A7]** church on **[D]** time.

[D] I'm getting married in the mornin'.
[D] Ding-dong the bells are gonna chime.
[A] Some bloke who's able, lift up the table,
[A] And get me to the church on **[D]** time.

[D] If I am **[G]** flyin', then shoot me **[D]** down.
[D] If I am **[E]** wooin', get her out of **[A]** town.
For **[D]** I'm getting married in the morning.
[D] Ding-dong the bells are gonna chime.
[G] Feather and tar me, **[A]** call out the army,
But **[D]** get me to the church,
[D] Get me to the church,
[A] For Gawd's sake get me to the **[A7]** church on **[D]** time.
