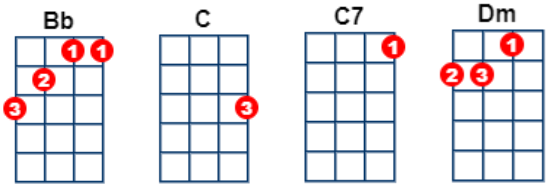
Glimpse Of Us – Joji (2022)



[Dm] She'd take the world off my shoulders, **[Bb]** if it was ever hard to move.
[C] She'd turn the rain to a **[C7]** rainbow, **[Dm]** when I was livin' in the blue.
[Dm] Why then, if she's so perfect **[Bb]** do I still wish that it was you?
[C] Perfect don't mean that it's workin'. **[C7]** So, what can I do? (Ooh!)

[Bb] *When you're out of sight in my mind*
[Bb] *Cos sometimes I look in her* ***[C]*** *eyes*
[C] *And that's where I* ***[Dm]*** *find a glimpse of us*
And I ***[Bb]*** *try to fall for her* ***[C]*** *touch*
[C] *But I'm thinkin'* ***[Dm]*** *of the way it was*
Said, "I'm ***[Bb]*** *fine" and said, "I* ***[C]*** *moved on"*
[C] *I'm only here* ***[Dm]*** *passin' time in her arms*
Hopin' I'll ***[Bb]*** *find a* ***[C]*** *glimpse of* ***[Dm]*** *us*

[Dm] Tell me he savours your glory. **[Bb]** Does he laugh the way I did?
[C] Is this a part of your **[C7]** story? **[Dm]** One that I had never lived.
[Dm] Maybe one day you'll feel lonely **[Bb]** and in his eyes, you'll get a glimpse.
[C] Maybe you'll start slippin' **[C7]** slowly and find me again.
