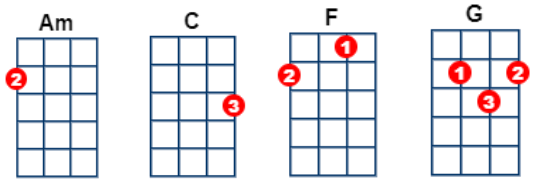
Lullaby Of London – The Pogues (2020)



(*Intro*) **[F] [C], [F] [C], [Am] [F], [C] [G] [C]**

[C] As I walked down by the **[F]** riverside
One **[C]** evening **[G]** in the **[C]** spring
[C] Heard a long, gone song from **[F]** days gone by
Blown **[C]** in on the **[G]** great north **[C]** wind

Though there **[F]** is no lonesome **[C]** corncrake's cry
Of **[Am]** sorrow and de-**[F]**light
You can **[C]** hear the cars and the **[F]** shouts from bars
And the **[C]** laughter **[G]** and the **[C]** fights.

May the **[F]** ghosts that howled round the **[C]** house at night
Never **[Am]** keep you from your **[F]** sleep
May they **[C]** all sleep tight down in **[F]** hell tonight
Or where-**[C]**ever **[G]** they may **[C]** be

(*Refrain*) **[F] [C], [F] [C], [Am] [F], [C] [G] [C]**
[F] [C], [F] [C], [Am] [F], [C] [G] [C]

[C] As I walked on with a **[F]** heavy heart
Then a **[C]** stone **[G]** danced on the **[C]** tide
[C] And the song went on though the **[F]** lights were gone
And the **[C]** north wind **[G]** gently **[C]** sighed.

And an **[F]** evening breeze coming **[C]** from the east
That **[Am]** kissed the river-**[F]**side
So, I **[C]** pray now child that you **[F]** sleep tonight
When you **[C]** hear this **[G]** lulla-**[C]**by.

May the **[F]** wind that blows from **[C]** haunted graves
Never **[Am]** bring you mis-**[F]**ery
May the **[C]** angels bright watch **[F]** you tonight
And **[C]** keep you **[G]** while you **[C]** sleep

(*Outro*) **[F] [C], [F] [C], [Am] [F], [C] [G] [C]**
[F] [C], [F] [C], [Am] [F], [C] [G] [C]
