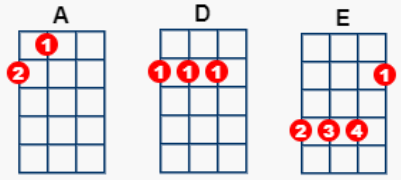
My Tennessee Mountain Home (Key of A) – Dolly Parton (1973)



[A] Sittin' on the front porch
On a **[D]** summer afternoon
In a **[A]** straightback chair on two legs
[E] Leaned against the **[A]** wall
[A] Watch the kids a-playin'
With **[D]** June bugs on a string
And **[A]** chase the glowin' fireflies
When **[E]** evenin' shadows **[A]** fall

*In my Tennessee **[D]** mountain home*
__[A]__ Life is as peaceful as a __[E]__ baby's __[A]__ sigh
*In my Tennessee **[D]** mountain home*
__[A]__ Crickets sing in the __[E]__ fields near-__[A]__by

[A] Honeysuckle vine clings
To the **[D]** fence along the lane
Their **[A]** fragrance makes the **[E]** summer wind so **[A]** sweet
[A] And on a distant hilltop
An **[D]** eagle spreads its wings
And a **[A]** songbird on a fence post
[E] Sings a mel-**[A]**ody

*In my Tennessee **[D]** mountain home*
__[A]__ Life is as peaceful as a __[E]__ baby's __[A]__ sigh
*In my Tennessee **[D]** mountain home*
__[A]__ Crickets sing in the __[E]__ fields near-__[A]__by

[A] Walkin' home from church on Sunday
[D] With the one ya love
Just **[A]** laughin' talkin'
[E] Makin' future **[A]** plans
[A] And when the folks ain't lookin'
You might **[D]** steal a kiss or two
[A] Sittin' in the **[E]** porch swing hold-**[A]**in' hands

*In my Tennessee **[D]** mountain home*
__[A]__ Life is as peaceful as a __[E]__ baby's __[A]__ sigh
