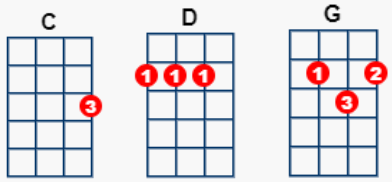
My Tennessee Mountain Home (Key of G) – Dolly Parton (1973)



[G] Sittin' on the front porch
On a **[C]** summer afternoon
In a **[G]** straightback chair on two legs
[D] Leaned against the **[G]** wall
[G] Watch the kids a-playin'
With **[C]** June bugs on a string
And **[G]** chase the glowin' fireflies
When **[D]** evenin' shadows **[G]** fall

*In my Tennessee **[C]** mountain home*
__[G]__ Life is as peaceful as a __[D]__ baby's __[G]__ sigh
In my Tennessee __[C]__ mountain home
__[G]__ Crickets sing in the __[D]__ fields near-__[G]__by

[G] Honeysuckle vine clings
To the **[C]** fence along the lane
Their **[G]** fragrance makes the **[D]** summer wind so **[G]** sweet
[G] And on a distant hilltop
An **[C]** eagle spreads its wings
And a **[G]** songbird on a fence post
[D] Sings a mel-**[G]**ody

*In my Tennessee **[C]** mountain home*
__[G]__ Life is as peaceful as a __[D]__ baby's __[G]__ sigh
In my Tennessee __[C]__ mountain home
__[G]__ Crickets sing in the __[D]__ fields near-__[G]__by

[G] Walkin' home from church on Sunday
[C] With the one ya love
Just **[G]** laughin' talkin'
[D] Makin' future **[G]** plans
[G] And when the folks ain't lookin'
You might **[C]** steal a kiss or two
[G] Sittin' in the **[D]** porch swing hold-**[G]**in' hands

*In my Tennessee **[C]** mountain home*
__[G]__ Life is as peaceful as a __[D]__ baby's __[G]__ sigh
In my Tennessee __[C]__ mountain home
__[G]__ Crickets sing in the __[D]__ fields near-__[G]__by
