Looking from a window above it's like a story of love
Can you hear me
Came back only yesterday I'm moving further away
Want you near me

[Chorus:]

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Sometimes when I think of her name when it's only a game
And I need you
Listen to the words that you say it's getting harder to stay
When I see you

[Chorus x2]

This is going to take a long time and I wonder what's mine
Can't take no more (Can't take no more)
Wonder if you'll understand it's just the touch of your hand
Behind a closed door

All I needed was the love you gave
All I needed for another day
And all I ever knew (All I ever knew)
Only you
