[Em] Nobody on the road, nobody on the beach.

[C] I feel it in the air, the summer's out of reach.

[D] Empty lake, empty streets, the sun goes down alone.

[C] I'm driving by your house, don't know you're not home.

[G] But I can see you, [D] your brown skin shining in the sun.

You got your hair combed back and your [C] sunglasses on, baby.

[G] I can tell you my [D] love for you will still be strong

After the boys of [C] summer have gone.

[Em] I never will forget those nights. I wonder if it was a dream.

[C] Remember how you made me crazy, remember how I made you scream.

[D] I don't understand what happened to our love.

[C] But, baby, when I get you back, I'm gonna show you what I'm made of.

[G] But I can see you, [D] your brown skin shining in the sun.

I see you walking real slow and you're [C] talking to to everyone.

[G] And I can tell you my [D] love for you will still be strong

After the boys of [C] summer have gone.

(Refrain) [Em] [C] [C] [D] [C] [C], [D] [A] [C] [D] [C], [Em] [C] [D] [C]

[Em] Out on the road today I saw a dead head sticker on a Cadillac.

[C] A little voice inside my head said: "Don't look back, you can never look back."

[D] I thought I knew what love was. What did I know?

[C] Those days are gone forever. I should just let them go, but

[G] But I can see you, [D] your brown skin shining in the sun.

You got the top pulled down and the [C] radio on, baby

[G] I can tell you my [D] love for you will still be strong

After the boys of [C] summer have gone.

[G] But I can see you, [D] your brown skin shining in the sun.

You got your hair slicked back and your [C] Wayfarers on, baby.

[G] I can tell you my [D] love for you will still be strong

After the boys of [C] summer have gone.
