

Castle on the Hill - Ed Sheeran (2017)

[Intro:] [D]

[D] When I was six years [G] old I broke my [Bm] leg [A]
[D] I was running from my [G] brother and his [Bm] friends [A]
[D] And tasted the [G] sweet perfume of the [Bm] mountain grass I [A] rolled down
[D] I was younger [G] then, [Bm] take me back to [A] when I

[G] Found my [A] heart and broke it here,
[D] Made friends and [G] lost them through the years
[G] And I've not [A] seen the roaring [D] fields in so long, I [G] know I've grown
[G] But I can't [A] wait to go home

[D] I'm on my [G] way, [Bm] Driving at [A] 90 down
[D] those country [G] lanes, [Bm] Singing to [A] "Tiny Dancer"
[D] And I miss the [G] way you make [Bm] me feel, and [A] it's real
[D] We watched the [G] sunset [Bm] over the [A] castle on the [D] hill

[D] Fifteen years [G] old and smoking [Bm] hand-rolled cigar[A]ettes
[D] Running from the [G] law through the backfields [Bm] and getting drunk with my [A] friends
[D] Had my first [G] kiss on a Friday [Bm] night, I don't [A] reckon that I did it [D] right
But [D] I was younger [G] then, [Bm] take me back to [A] when

[A] We found [G] weekend [A] jobs, when we got [D] paid
[D] We'd buy cheap [G] spirits and drink them straight
[G] Me and my [A] friends have not thrown [D] up in so long, [G] oh how we've grown
[G] But I can't [A] wait to go home

[D] I'm on my [G] way, [Bm] Driving at [A] 90 down
[D] those country [G] lanes, [Bm] Singing to [A] "Tiny Dancer"
[D] And I miss the [G] way you make [Bm] me feel, and [A] it's real
[D] We watched the [G] sunset [Bm] over the [A] castle on the [D] hill
[G] [Bm] Over the [A] castle on the [D] hill, [G] [Bm] Over the [A] castle on the [D] hill

[Refrain] [Bm] [G] [D] [A]

[Bm] One friend [G] left to sell clothes, [D] One works [A] down by the coast
[Bm] One had two [G] kids but lives alone, [D] One's [A] brother overdosed
[Bm] One's [G] already on his second wife, [D] One's just [A] barely getting by
[Bm] But these people [G] raised me, And [D] I can't [A] wait to go home

And [D] I'm on my [G] way, [Bm] I still [A] remember
[D] Those old country [G] lanes
[Bm] When we did not [A] know the answers
[D] And I miss the [G] way you [Bm] make me feel, [A] it's real
[D] We watched the [G] sunset [Bm] over the [A] castle on the [D] hill
[G] [Bm] Over the [A] castle on the [D] hill
[G] [Bm] Over the [A] castle on the [D] hill.
