Changes – David Bowie (1971)

[G] Still don't know what I was **[Bm]** waiting for
And my **[C]** time was running **[D7]** wild a million **[C]** dead-end streets and
[G] Every time I thought I'd **[Bm]** got it made
It seemed the **[C]** taste was not so **[D7]** sweet

So I **[Gmaj7]** turned my**[Am]**self to **[Bm]** face me
[Bbm] But **[Am]** I've never caught a glimpse
[D7] Of how the **[Gmaj7]** others must **[Am]** see the **[Bm]** faker
[Bbm] I'm much too **[Am]** fast to take that test **[D7]**

[D7] Ch-ch-ch-ch-[C]changes [G] turn and [Bm] face the [Em] strange
[Em] Ch-ch-[G]changes. [C] Don't [Em] want to be a [A] richer man [D7] [D7]
Ch-ch-ch-ch-[C]changes, [G] turn and [Bm] face the [Em] strange
[Em] Ch-ch-[G]changes. [C] Just [Em] gonna have to be a [A] different man
[Em] Time [D] may [Fadd9] change [C] me but [Em] I [D] can't trace [G] time

[G] I watch the ripples **[Bm]** change their size
But **[C]** never leave the **[D7]** stream of warm im**[C]**permanence and
[G] So the days float **[Bm]** through my eyes
But **[C]** still the days seem the **[D7]** same
And these **[Gmaj7]** children **[Am]** that you **[Bm]** spit on
[Bbm] As they **[Am]** try to change their worlds **[D7]**
Are im**[Gmaj7]**mune to your **[Am]** consul**[Bm]**tations
[Bbm] They're quite a**[Am]**ware of what they're going through **[D7]**

[D7] Ch-ch-ch-ch-[C]changes [G] turn and [Bm] face the [Em] strange
[Em] Ch-ch-[G]changes. [C] Don't [Em] tell them to grow up and [A] out of it [D7]
[D7] Ch-ch-ch-ch-[C]changes [G] turn and [Bm] face the [Em] strange [Em]
Chch[G]changes.
[C] Where's your [Em] shame you've left us up to our [A] necks in it
[Em] Time [D] may [Fadd9] change [C] me but [Em] you [D] can't trace [G] time

[C] Strange fascination fascin**[G]**ating me
[C] Changes are taking the **[D7]** pace I'm going through

[D7] Ch-ch-ch-ch-[C]changes [G] turn and [Bm] face the [Em] strange
[Em] Ch-ch-[G] changes. [C] Oh look [Em] out you rock and [A] rollers [D7] [D7]
Ch-ch-ch-ch-[C]changes [G] turn and [Bm] face the [Em] strange
[Em] Ch-ch-[G] changes. [C] Pretty soon [Em] now you're gonna get [A] older
[Em] Time [D] may [Fadd9] change [C] me but [Em] I [D] can't trace [G] time
I said that [Em] time [D] may [Fadd9] change [C] me
But [Em] I [D] can't trace [G] time
