

# City To City – Gerry Rafferty (1972)

**(Intro as chorus)** [A], [A] [D] [E7] [A], (x2) Whoooo! Whoooo!

[A] Now the night train is waitin', [D] to take me [E7] away,  
[D] And I'm still feelin' [E7] guilty cos you're wanted me to [A] stay.  
[A] Well I know, how I know, [D] it's harder on [E7] you,  
[D] But then you said it your-[E7]self. There's nothing else we [A] could do.

[A] When the wheels start turnin', [D] takin' me through the [E7] night,  
[D] Out there in the [E7] darkness there's a star shinin' [A] bright,  
[A] And it makes me feel better, [D] just to see it up [E7] there.  
[D] Hope you're thinkin' [E7] about it, hope you know I still [A] care.

[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.  
[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.

[A] Now I know you've been waiting, [D] but I'll be seeing you [E7] soon.  
[D] Meanwhile I just [E7] lay here and stare at the [A] moon,  
[A] And a light made of silver, [D] through my window it [E7] creeps,  
[D] And the train keeps on [E7] rollin' it just rocks me to [A] sleep.

[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.  
[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.

**(Refrain as verse)** [A] [D] [E7], [D] [E7] [A], [A] [D] [E7], [D] [E7]

[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.  
[A] So, goodnight. Yeah! Goodnight.  
[A] Goodnight [D] train is gonna [E7] carry me [A] home.

[A] Now from city to city, [D] it's four hundred [E7] miles,  
[D] And I'm bound to wake [E7] up every once in a [A] while,  
[A] And it's then that I call out, [D] to some higher [E7] power,  
[D] And then I'll go back to [E7] sleep, cos I'll be home in an [A] hour.

**(Chorus x2)**

**(Outro)** [A] I'm going home (ooooh) tonight. (x4)
