Days We Left Behind – Paul McCartney (2026)

(*Intro*) **[G] [D] [G] [D] or [G] [Gsus2] [Em7] [Gsus2]**

[G] Looking back at **[D]** white and black, **[Em]** reminders of my **[D]** past.
[G] Smoky bars and **[D]** cheap guitars, but **[Em]** nothing built to **[D]** last.

[D] Nothing ever [C] stays
[C] Nothing comes to [G] mind
[D] No one can [Em] erase
The [C] days we left be-[G]hind. [D] [C]

[G] See the boys of **[D]** Dungeon Lane, **[Em]** along the Mersey **[D]** shore
[G] Some of them will **[D]** feel the pain, but **[Em]** some were meant for **[D]** more

[D] And nothing stays the [C] same
[C] No one needs to [G] cry
[D] Nothing can [Em] reclaim
The [C] days we left be-[G]hind

[Em] We met at Forthlin Road and **[Bm]** wrote a secret code,
[Em] To never be **[Bm]** spoken.
[G] I stand by what I said, **[D]** the promise that I made,
[C] Will never be **[D]** broken.

And [D] nothing ever [C] stays
[C] Nothing comes to [G] mind
And [D] no one can [Em] erase
The [C] days we left be-[G]hind. [D] [C]

In **[G]** the skies, the **[D]** skylarks rise **[Em]** above the sounds of **[D]** war.
[G] Since that day, I **[D]** knew they'd stay with **[Em]** me forever-**[D]**more

'Cause [D] nothing stays the [C] same
[C] And no one needs to [G] cry
And [D] no one is to [Em] blame
For the [C] days we left be-[G]hind
The [C] days we left be-[G]hind.
[D] [G] [Em] [D] [G] or [D] [Em7] [D] [Em] [D] [G]
