Days We Left Behind (key of B) – Paul McCartney (2026)

(*Intro*) **[C] [G7] [Am7] [G7]**

[C] Looking back at **[G7]** white and black, **[Am]** reminders of my **[G]** past.
[C] Smoky bars and **[G7]** cheap guitars, but **[Am]** nothing built to **[G]** last.

[G] Nothing ever [F] stays. Nothing comes to [C] mind.
[G] No one can [Am] erase,
The [F] days we left be-[C]hind. [G] [F], [F], [Fmaj7] [F]

[C] See the boys of **[G7]** Dungeon Lane, **[Am]** along the Mersey **[G]** shore
[C] Some of them will **[G7]** feel the pain, but **[Am]** some were meant for **[G]** more

[G] And nothing stays the [F] same. No one needs to [C] cry.
[G] Nothing can [Am] reclaim.
The [F] days we left be-[C]hind. [Cmaj7]

[Am] We met at Forthlin Road and **[Em]** wrote a secret code,
[Am] To never be **[Em]** spoken.
[C] I stand by what I said, **[G]** the promise that I made,
[F] Will never be **[G]** broken.

And [G] nothing ever [F] stays. Nothing comes to [C] mind,
And [G] no one can [Am] erase, [G]
The [F] days we left be-[C]hind. [G] [F], [F], [Fmaj7] [F]

In **[C]** the skies, the **[G7]** skylarks rise **[Am]** above the sounds of **[G]** war.
[C] Since that day, I **[G7]** knew they'd stay with **[Am]** me forever-**[G]**more

'Cause [G] nothing stays the [F] same, and no one needs to [C] cry,
And [G] no one is to [Am] blame,
For the [F] days we left be-[C]hind,

The [F] days we left be-[C]hind.
[G7] [Am7] [G], [Am] [G] [C]
