

Don't Jump Off The Roof, Dad – Homer & Jethro/Tommy Cooper (1961)

[C] Daddy came [G] home from work [C] tired.
His [F] boss had been driving him [C] mad.
The [F] kids were all shouting.
The [C] dog bit him too.
His [Dm] dinner was nothing but [G] warmed over stew.
I [C] guess it was [G] then he de-[C]cided.
[F] Up to the rooftop he'll [C] go.
[F] He was about, to jump [C] off, when
The [Dm] kids started [G] howling be-[C]low.

*Oh! [C] Don't [G] jump off the [C] roof, Dad.
[F] You'll make a hole in the [C] yard.
[F] Mother's just planted pe-[C]tunias.
The [Dm] weeding and seeding was [G] hard.
[C] If you [G] must end it [C] all, Dad.
[F] Won't you please give us a [C] break.
Just [F] take a walk down the [C] park, Dad,
And [Dm] there you can [G] jump in the [C] lake.*

[C] Mother soon [G] heard the com-[C]motion.
She [F] rushed out to see what it [C] was.
And [F] that's when she saw him [C] perched there on the edge.
[Dm] Ready to fall [G] with a way of the sledge.
[C] She let out a [G] scream and yelled [C] "Sweetheart!
[F] Don't do this terrible [C] deed."
[F] Then she got down on her [C] knees and
[Dm] Carefully [G] started to [C] plead.

*Oh! [C] Don't [G] jump off the [C] roof, Dad.
[F] You'll make a hole in the [C] yard.
[F] Mother's just planted pe-[C]tunias.
The [Dm] weeding and seeding was [G] hard.
[C] If you [G] must end it [C] all, Dad.
[F] Won't you please give us a [C] break.
Just [F] take a walk down the [C] park, Dad,
And [Dm] there you can [G] jump in the [C] lake.*
