

Euphoria – Loreen (2012, Sweden)

[Am] Why, why can't this moment last [G] forever[F] more?

[Am] Tonight, tonight eternity's an [G] open door. [F]

[Am] No, don't ever stop doing the [G] things you [F] do.

[Am] Don't go, in every breath I take [G] I'm breath[F]ing you

[Em] Eupho[D]ria! Forever, 'till the [G] end of [Cadd9] time

From [Em] now on, only you and [D] I

We're going [G] up-up-up-up-up-up[F]upp

[Em] Eupho[D]ria! An everlasting [G] piece of [F] art

A beating [Em] love within my [D] heart

We're going [G] up-up-up-up-up-up[Cadd9]up

[Am] We are here, we're all alone in [G] our own [F] Universe,

[Am] We are free, where everything's [G] allowed and [F] love comes first,

[Am] Forever and ever together, we sail [G] into in[F]finity,

[Am] We're higher and higher and higher, [G] we're reaching for [F] divinity.

[Em] Eupho[D]ria! Forever, 'till the [G] end of [Cadd9] time

From [Em] now on, only you and [D] I

We're going [G] up-up-up-up-up-up[Cadd9]upp

[Em] Eupho[D]ria! An everlasting [G] piece of [Cadd9] art

A beating [Em] love within my [D] heart

We're going [G] up-up-up-up-up-up[Cadd9]up

[Am] Forever we [G] sail into in[F]finity,

[Am] We're higher, [G] we're reaching for [F] divinity. [Am]

[Em] Eupho[D]ria! [Em] Eupho[D]ria!

We're going [G] up-up-up-up-up-up[F]up

[Em] Eupho[D]ria! Forever, 'till the [G] end of [Cadd9] time
From [Em] now on, only you and [D] I

We're going [G] up-up-up-up-up-up[Cadd9]upp

[Em] Eupho[D]ria! An everlasting [G] piece of [Cadd9] art

A beating [Em] love within my [D] heart

We're going [G] up-up-up-up-up-up[Cadd9]up.
