Girl With One Eye – Florence & The Machine (2009)

[Am] She **[Dm]** told me not to **[C]** step on the **[E7]** cracks
[Am] I **[Dm]** told her not to **[C]** fuss and re-**[E7]**lax
[Am] Well, her pretty little **[Dm]** face stopped **[C]** me in my **[E7]** tracks
But **[Dm]** now she sleeps with **[E7]** one eye **[Am]** open
[Dm] That's the **[E7]** price **[Am]** she **[Dm]** paid. **[E7]**

I **[Am]** took a **[Dm]** knife and cut **[C]** out her **[E7]** eye
I **[Am]** took it **[Dm]** home and watched it **[C]** wither and **[E7]** die
[Am] Well, she's **[Dm]** lucky that I didn't **[C]** slip that **[E7]** smile
That's **[Dm]** why she sleeps with **[E7]** one eye **[Am]** open
[Dm] That's the **[E7]** price she **[Am]** paid

[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
[Am] Get your filthy [Dm] fingers [C] out of my [E7] pie"
[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
I'll [E7] cut your little heart out cos you made me cry." [E7]

[Am] I slipped my **[Dm]** hand **[C]** under her **[E7]** skirt
[Am] I said don't **[Dm]** worry. No, it's **[C]** not gonna **[E7]** hurt
[Am] Oh! My repute-**[Dm]**tion's kinda **[C]** clouded with **[E7]** dirt
That's **[Dm]** why you'll sleep with **[E7]** one eye **[Am]** open
[Dm] That's the **[E7]** price you **[Am]** paid

[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
[Am] Get your filthy [Dm] fingers [C] out of my [E7] pie"
[Am] I said, [Dm] "Hey, [C] girl with one [E7] eye
I'll [E7] cut your little heart out cos you…"
[E7] made me cry! [C] [E7] [Am]
You made me cry! [C] [E7] [Am]
You made me cry! [C] [E7] [Am]
You made me cry! [C] [E7] [E]

[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
[Am] Get your filthy [Dm] fingers [C] out of my [E7] pie"
[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
[Am] Get your filthy [Dm] fingers [C] out of my..." [E7]
[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
[Am] Get your filthy [Dm] fingers [C] out of my [E7] pie"
[Am] I said, [Dm] "Hey! [C] Girl with one [E7] eye
I'll [E7] cut your little heart out cos you made me [Am] cry."
