

Honey Chile – Martha Reeves & The Vandellas

(Intro) [G]

[G] You're shiftless and you're lazy, [C] just like that hound dog, Daisy, [Am] I had when grandma raised me, [G] Honey Chile!

[G] When Granny got too old to scorn me, [C] dear old auntie warned me, [Am] you sure was no good for me, [G] Honey Chile!

But your [C] kiss is sweeter than the cake, that [G] Grandma used to bake.

[C] Oh! Them sweet little things about ya, [Am] sure enough [D] takes the cake.

[G] You ain't gonna amount to nothing, [C] cos you ain't gonna work for nothing.

[Am] Without you, I'm good for nothing, [G] Honey Chile! Honey Chile!

*[G] Honey Chile! Sure 'bout to [C] drive me wild and I [Am] love you so,
[C] can't let go, now, [G] Honey Chile!*

*Oooo! [G] Sugar Chile, I'd walk me a [C] country mile, just to be with you and
[Am] that's the truth, now, [G] Honey Chile!*

[G] I try to act like a lady, [C] but you've been courtin' Sadie.

Your [Am] reputation's shady, [G] Honey Chile!

[G] Hey, you even took out Sally, who lives [C] across the alley,

[C] Oh! I've been [Am] keeping tally, [G] Honey Chile!

[G] You're like the [C] grapes upon the vine that went into [G] vinted wine.

[G] Cause like that [C] home-made wine, so sweet, you [D] sure enough drive me out of my mind, now.

[G] You ain't nothing but a playboy, [C] using me for a play toy.

[Am] You're ruining my pride and joy, now, [G] Honey Chile! Honey Chile!

*[G] Honey Chile, sure 'bout to [C] drive me wild and I [Am] love you so,
[C] can't let go, now, [G] Honey Chile.*

*Oooo! [G] sugar Chile, I'd walk me a [C] country mile, just to be with you and
[Am] that's the truth, now, [G] Honey Chile.*

(Refrain) [G]

[G] Ooh! listen here, now, one day I'm gonna get stronger [C] and I won't need you no longer, [Am] this feeling will be a goner, [G] Honey Chile!

[G] Hey, now, I can't take disgracin', [C] that ain't the way granny raised me, [Am] you're gonna hurt. You crazy, [G] Honey Chile!

[G] Sugar Chile! I'd walk me a [C] country mile, just to be with you in [Am] solitude, [G] Honey Chile!

(Outro) [G] Hey, Honey Chile! Sure 'bout to [C] drive me wild, and I love you so, [Am] Can't let go now. [G] Honey Chile! hey, Sugar Chile!
