[A] I'm thinkin' 'bout times when I was just a kid.

[F] Just lookin' back on the things we did.

[A] Like hangin' round at the **[E7]** local hop,

[A] with my candy and my soda pop.

[A] I guess I never really stood a chance.

[F] I liked the music, but I couldn't dance.

[A] I guess I've really learnt a lot since then,

[A] Cos I can really do it now, it's back again.

[A] Yeah! I can do it, I can do it, I can really move.

From my **[F]** head right down to my blue suede shoes.

I can **[A]** really make the **[E7]** groove.

I can **[A]** do it, I can do it, I can really move.

[A] I can really rock. Ooo! I can do it.

[C] I can really rock. Ooo! I can do it.

[G] I can really rock. Ooo! I can do it.

(Cont...)

[A] Dancin' was trouble thinkin' 'bout it [F] now.
[F] I had no girl friend to show me how.
I was [A] too young to date, [E7] too old to wait.
[A] It's kinda sad, I was born too late.
[A] But [A] like I said, I learnt a lot since then.
And [F] I can really do it now, it's back again.
I can [A] do 'The Jive'. I can [E7] do 'The Stroll'.
It's [A] just another name for rock 'n' roll.

[A] Yeah! I can do it, I can do it, I can really move.
From my [F] head right down to my blue suede shoes.
I can [A] really make the [E7] groove.
I can [A] do it, I can do it, I can really move.

[A] Yeah! I can do it. [C] Yeah! I can do it. [G] Yeah! I can do it.
[E7] Yeah! Yeah! Yeah!

[A] I can really rock. Ooo! I can do it.
[C] I can really rock. Ooo! I can do it.
[G] I can really rock. Ooo! I can do it.
[E7] I can really rock. Ooo! I can do it.
[A] I can really rock. Ooo! I can do it.
[C] I can really rock. Ooo! I can do it.
[G] I can really rock. Ooo! I can do it.
[E7] I can really rock. Ooo! I can do it. (Alright, let's move!!)

(Refrain) [A] [F] [A] [E7] [A]

[A] Yeah! I can do it, I can do it, I can really move.
From my [F] head right down to my blue suede shoes.
I can [A] really make the [E7] groove.
I can [A] do it, I can do it, I can really move.

[A] Yeah! I can do it, I can do it, I can really move.
From my [F] head right down to my blue suede shoes.
I can [A] really make the [E7] groove.
I can [A] do it, I can do it, I can really move.

(Outro)

[A] Yeah! I can do it, I can do it, I can really move.
From my [F] head right down to my blue suede shoes.
I can [A] really make the [E7] groove.
I can [A] do it, I can do it, I can really move.
