

# I Just Can't Wait To Be King – (From The Lion King)

[G] I'm gonna be a mighty king, so enemies beware!

[C] I've never seen a king of beasts,

[C] With quite so little [G] hair.

[G] I'm gonna be the mane event,

[G] Like no king was before.

[C] I'm brushing up on looking down.

[C] I'm working on my [D] roar.

[C] Thus, far a rather uninspiring [D] thing.

[C] Oh! I just can't [D] wait to be [G] king!

[C] No one saying do this.

[D] No one saying be there.

[Am] No one saying stop that.

[G] No one saying see here.

[G] Free to run [C] around all [D] day.

[C] Free to do it [D] all my [G] way!

Now when I said that - -

What I meant was - -

What you don't realize - -

Now see here!

That's definitely out - -

[G] I think it's time that you and I,

[G] Arranged a heart-to-heart.

[C] Kings don't need advice,

[C] From little [G] hornbills for a start.

[G] If this is where the monarchy is headed Count me out!

[C] Out of service, out of Africa.

I [G] wouldn't hang about.

[C] This child is getting wildly out of [D] wing.

Oh! I [C] just can't [D] wait to be [G] king!

[C] Everybody look left.

[D] Everybody look right.

[Am] Everywhere you look I'm... [G] Standing in the spotlight. Not yet!

[C] Let every creature go for broke and [D] sing.

[C] Let's hear it in the herd and on the [D] wing.

[C] It's gonna be King Simba's finest [D] fling.

[C] Oh, I just can't [D] wait to be [G] king!

[C] Oh, he just can't [D] wait to be [G] king!

[C] Oh, I just can't [D] wait...

[D] To be [G] king!
