

I Would Rather Go Blind – Chicken Shack/Etta James

(Intro:-) [G] [Am] [Am] [G]

[G] Something told me it was **[Am]** over,
[Am] When I saw you and her **[G]** talking.
[G] Something deep down in my **[Am]** soul,
[Am] Said "cry girl" when I saw you and that girl **[G]** walking.

[G] I would rather, I would rather **[Am]** go blind,
[Am] Boy, than to see you walk away from **[G]** me
[G] So, you see I love you so **[Am]** much,
[Am] And I don't want to see you leave me, baby,
[Am] But most of all I don't wanna be **[G]** free.

[G] I was just, I was **[Am]** just,
[Am] I was just sittin' here thinkin',
[Am] About your kiss and your warm **[G]** embrace.
[G] When the reflection in the glass that I **[Am]** held to my lips, baby,
[Am] Revealed the tears that were on my **[G]** face.

[G] I would rather, I would rather **[Am]** go blind,
[Am] Boy, than to see you walk away from **[G]** me
[G] So, you see I love you so **[Am]** much,
[Am] And I don't want to see you leave me, baby,
[Am] But most of all I don't wanna be **[G]** free.

(Refrain) [G] [Am] [Am] [G]

(Outro:-) [G] Baby, baby, baby, I would rather go **[Am]** blind...
