

If You Gotta Go, Go Now (or Else You Gotta Stay All Night) – Manfred Mann/ Bob Dylan

(Intro:-) [G] / / [C] /// [G] / / [C] ///

[G] Listen to me [C] baby, [G] I'm tryin' to make you [C] see.
[G] That I want to be with [C] you girl, [D] if you want to be with me.

[D] But if you gotta [G] go, [C] [G] [C] it's [G] alright. [C] [G]
[G] But if you gotta [C] go, go [G] now,
or [D] else you gotta stay all [G] night. [C] /// [G] / / [C] ///

[G] I am just a [C] poor boy baby, [G] tryin' to [C] connect.
[G] But I don't want you [C] thinkin', [D] that I ain't got any respect.

[D] But if you gotta [G] go, [C] [G] [C] it's [G] alright. [C] [G]
[G] But if you gotta [C] go, go [G] now,
or [D] else you gotta stay all [G] night. [C] /// [G] / / [C] ///

[G] Now I'm not tryin' to [C] question you, [G] to take part in any [C] quiz.
[G] It's just that I don't have a [C] lot, and [D] you keep asking me what time it is.

[D] But if you gotta [G] go, [C] [G] [C] it's [G] alright. [C] [G]
[G] But if you gotta [C] go, go [G] now,
or [D] else you gotta stay all [G] night. [C] /// [G] / / [C] ///

[G] Now I don't want to [C] make you give, [G] anything you never gave [C] before.
[G] It's just that I'll be [C] sleepin' soon,
([D] *one note then NC*) It'll be too dark for you to find the door.

[D] But if you gotta [G] go, [C] [G] [C] well it's [G] alright. [C] [G]
[G] But if you gotta [C] go, go [G] now
or [D] else you gotta stay all [G] night.
