I'll Get Over You – Crystal Gayle

[D] One thing 'bout this **[Em]** heart of mine
[A7] All my hurt's gonna **[D]** mend in time
It **[D]** won't leave no **[Em]** scars behind, I'll **[A]** get over **[A7]** you.

I'll **[D]** try to meet a **[Em]** guy one day,
[A7] Who's not scared to give his **[D]** heart away
When I do it's **[Em]** safe to say, that I'll **[A]** get **[A7]** over **[D]** you.

[D] *I'll get* ***[Em]*** *over you*
[A7] *I'll get through and* ***[D]*** *when I do*
[Bm] *I'll be* ***[Em]*** *good as new,* ***[A7]*** *when I get over* ***[D]*** *you.*

[D] From now on I think **[Em]** I'll lay low
[A7] I'll talk fast but **[D]** I'll move slow
You **[D]** taught me all I need **[Em]** to know **[A]** about getting over **[A7]** you

[D] Sometimes I think I **[Em]** love you still,
[A7] Wonder if I **[D]** always will
But I know it's **[Em]** just until I **[A]** get **[A7]** over **[D]** you.

[D] *I'll get* ***[Em]*** *over you*
[A7] *I'll get through and* ***[D]*** *when I do*
[Bm] *I'll be* ***[Em]*** *good as new,* ***[A7]*** *when I get over* ***[D]*** *you.*

[D] Sometimes I think I **[Em]** love you still,
[A7] Wonder if I **[D]** always will
Love for you is so **[Em]** hard to kill, but **[A]** I'll **[A7]** get over **[D]** you.

[D] *I'll get* ***[Em]*** *over you*
[A7] *I'll get through and* ***[D]*** *when I do*
[Bm] *I'll be* ***[Em]*** *good as new,* ***[A7]*** *when I get over* ***[D]*** *you.*
