(Intro) [Am] // [F] // [C] // [C] Rose! [F] Rose! [C] Rose!

This is the [C] last time I'll walk into this [Am] garden,  
[G] All a [C] lone with [F] out the one I [C] love.  
For to [G] day is the day I'm gonna [Am] bring Rose back to stay.  
Oh! I've [F] waited patient [Em] ly, now the [F] time is right for [Em] me.  
[Em] So, I'll [Dm] reach down. [Am] Right to the [G] ground.

[G] And pick a [C] rose for my [F] Rose,  
Cause some [C] how I know she [F] knows,  
[G] This love de, ep in my heart, is still [Am] alive.  
I'll pick a [C] rose for my [F] Rose, cos to [C] day I'm gonna [F] go,  
And [G] bring her back to stay right by my [C] side.  
I'm comin' [C] Rose! I'm comin' [F] Rose!

Years [C] ago when I was just a [Am] poor boy,  
[G] And her [C] wealthy parents [F] didn't fancy [C] me.  
So, they [G] sent my Rose away to a [Am] far off lonely place.  
But when [F] it was time to [Em] leave,  
My [F] Rose cried out to [Em] me,  
[Em] "Remember [Dm] me." [Am] That's why, you [G] see...

[G] I pick a [C] rose for my [F] Rose,  
Cause some [C] how I know she [F] knows,  
[G] This love, deep in my heart, is still [Am] alive.  
I'll pick a [C] rose for my [F] Rose, cos to [C] day I'm gonna [F] go,  
And [G] bring her back to stay right by my [C] side.  
I'm comin' [C] Rose! I'm comin' [F] Rose!

Now that I [C] walk, slowly from this [Am] garden.  
A [G] train [C] ticket held [F] tightly in my [C] hand,  
And [G] somewhere patiently, my Rose is [Am] waiting there for me.  
So, [F] then we'll be [Em] alone, and I'll [F] bring my baby [Em] home,  
[Em] And be [Dm] around [Am] for her sur [G] prise.

[G] I'll pick a [C] rose for my [F] Rose,  
Cause some [C] how I know she [F] knows,  
[G] This love, deep in my heart, is still [Am] alive.  
I'll pick a [C] rose for my [F] Rose, cos to [C] day I'm gonna [F] go,  
And [G] bring her back to stay right by my [C] side.  
I'm comin' [C] Rose! I'm comin' [F] Rose!  
[G] Cos this love deep in my heart is still [Am] alive...
