

Lady in Red – Chris De Burgh

(Intro) [G] [C] [D], [G] [C] [D]

I've [G] never seen you looking so [C] lovely, as you did [D] tonight.
 I've [B7] never seen you shine so [Em] bright. [D] Ooo! [C] Ooo! [D]
 I've [G] never seen so many [C] men asking if you wanted to [D] dance.
 They're [B7] looking for a little ro[Em]mance, given [D] half a [C] chance. [D]
 And I have [Am] never seen that dress you're wearing.
 Or the high[D]lights in your hair that catch your [Em] eyes.
 I have been [D] blind.

*The lady in [G] red, [Bm] [C] is [D] dancing with [Em] me.
 [D] Cheek to [Em] cheek.*

*There's nobody [Am] here, [D] it's just you and [G] me.
 It's where I want to [G7] be.*

*But I hardly [C] know [B7] this beauty by my [Em] side. [D] [C]
 I'll never for[Am]get [D] the way you look to[G]night.*

(Refrain as Intro) [G] [C] [D], [G] [C] [D]

I've [G] never seen you looking so [C] gorgeous as you did [D] tonight,
 I've [B7] never seen you shine so [Em] bright, you [D] were [C] amazing, [D]
 I've [G] never seen so many people [C] want to be there by your [D] side,
 And when you [B7] turned to me and [Em] smiled, it took my [D] breath [C] away, [D]
 And I have [Am] never had such a feeling,
 Such a [D] feeling of complete and utter [Em] love, as I [C] do [D] tonight,

*The lady in [G] red, [Bm] [C] is [D] dancing with [Em] me.
 [D] Cheek to [Em] cheek.*

*There's nobody [Am] here, [D] it's just you and [G] me.
 It's where I want to [G7] be.*

*But I hardly [C] know [B7] this beauty by my [Em] side. [D] [C]
 I'll never for[Am]get [D] the way you look to[G]night. [C]
 I never will for[Am]get [D] the way you look to[G]night. [C]*

(Outro)

[D] The lady in [G] red. [C] My [D] lady in [G] red.
 [C] My [D] lady in [G] red. [C] My [D] lady in [G] red.
 [D] I love [G] you.
