

Life Is For Living – Barclay James Harvest (1981)

(RHYTHM = D - UD throughout)

(Intro as verse) [G] [C] [G], [C] [G] [D] [G] (x2)

[G] You and me, our life is [C] drifting [G] along,
 [C] Watching the [G] world as it's [D] singing its [G] song.
 [G] High above, someone is [C] calling to [G] me.
 [C] Life is for [G] living and [D] living is [G] free.

[G] You to me, are like the [C] sun in the [G] sky.
 [C] See how you [G] fly you have [D] wings of your [G] own.
 [G] You and me, our love will [C] last without [G] end.
 [C] Ride with the [G] wind won't you [D] follow me [G] home.

[G] Turn around and see the [C] circles we [G] spin,
 And we're [C] taking our [G] chances on [D] where we [G] begin.
 [G] Up above, the rain is [C] falling on [G] me.
 [C] Life is for [G] living and [D] living is [G] free.

[G] You to me, are like the [C] sun in the [G] sky.
 [G] See how you [D] fly you have wings of your [G] own.
 [G] You and me, our love will [C] last without [G] end.
 [C] Ride with the [G] wind won't you [D] follow me [G] home.

(Refrain as verse) [G] [C] [G], [C] [G] [D] [G] (x2)

[D] Taking up time, trying to [C] write a line,
 Till the [Bm] break of [C] day.

[D] Given a sign, can you [C] make it rhyme?
 Tell me [Bm] what to [C] say?

[D] Making it fine, can you [C] ease my mind?
 Help me [Bm] drift [C] away

(Refrain as verse) [G] [C] [G], [C] [G] [D] [G] (x2)

[G] Turn around, and see the [C] circles we [G] spin,
 [C] Taking our [G] chances on [D] where we [G] begin.
 [G] Up above, the rain is [C] falling on [G] me.
 [C] Life is for [G] living and [D] living is [G] free.

[G] You to me, are like the [C] sun in the [G] sky,
 [G] See how you [D] fly you have wings of your [G] own.
 [G] You and me, our love will [C] last without [G] end.
 [C] Ride with the [G] wind won't you [D] follow me [G] home.
