

Maybelline – Chuck Berry

(Intro) [A]///

[A] Maybellene, why can't you be true
Oh, Maybel[D7]lene, why can't you be [A] true
You've [E7] started back doin' the [D7] things you used to [A] do

[A] As I was motivatin', over the hill
I saw Maybellene in a Coupe de Ville
Cadillac rollin' on the open road
Nothin' outruns my V-8 Ford
Cadillac doin' 'bout 95
Bumper-to-bumper, rollin' side by side

[A] Maybellene, why can't you be true
Oh, Maybel[D7]lene, why can't you be [A] true
You've [E7] started back doin' the [D7] things you used to [A] do

[A] Cadillac rolled up ahead of the Ford
The Ford got hot, wouldn't do no more
It soon got cloudy and it started to rain
I tooted my horn for the passing lane
Rain was pourin' under my hood
I knew that was doin' my motor good

[A] Maybellene, why can't you be true
Oh, Maybel[D7]lene, why can't you be [A] true
You've [E7] started back doin' the [D7] things you used to [A] do

(Refrain as chorus) [A], [D7] [A], [E7] [D7] [A]

[A] Motor cooled down, the heat went down
That's when I heard that highway sound
The Cadillac sittin' like a ton of lead
110 half a mile ahead
The Cadillac looked like it was sittin' still
I caught Maybellene at the top of the hill

[A] Maybellene, why can't you be true
Oh, Maybel[D7]lene, why can't you be [A] true
You've [E7] started back doin' the [D7] things you used to [A] do
