(Intro-rising) [G] Doo doot-n-doo doot-n-doo doo-doo,
[G] Doo doot-n-doo doot-n-doo doo-doo,
[G] Doo doot-n-doo doot-n-doo doo-doo.

[D] Hey! Little girl, won't you meet me at the schoolyard [G] gate?
I got [D] backstage passes to the biggest show in town.
So, [D6] honey, don't you make me be [G] late.
[G] If we [C] leave a little early and we hurry, we can get in with the [G] band.
Cos, [G] little Timmy Schmidt has got his old man's van.
So, [D] let's get to getting while the [C] getting is right,
And [D7] roll with the rhythm [G] tonight.

[G] God knows that I [D] love [D6] my [G] music.
[G] Ain't no one gonna [D] change [D6] my [G] tune.
[G] Don't-ya know that I [D] love [D6] my [G] music?
[G] Ain't never gonna [D] change [D6] my [G] tune.

[D] Hey little girl, wanna dance with you all night [G] long.
The [D] music got me buzzing and I feel pretty loose.
I feel the [D6] rhythm and it's coming on strong, baby, [G] baby.
[G] Lay the [C] rhythm on me, baby. There's power in the [G] sound.
With [G] everybody jumping we can bring the house down.
So, [D] let's get to getting while the [C] getting is right,
And [D] roll with the rhythm [G] tonight.

[G] God knows that I [D] love [D6] my [G] music.
[G] Ain't no one gonna [D] change [D6] my [G] tune.
[G] Don't-ya know that I [D] love [D6] my [G] music?
[G] Ain't never gonna [D] change [D6] my [G] tune.

(Repeat chorus)
