

No More The Fool – Elkie Brooks

[C] Just why I stayed [F] around, [G] when all I [Am] found was [G] heartache.
 [C] I believed your every [F] word.
 [E7] Didn't know the [Am] hurt and pain that [G] you'd make.
 [Bb] But why did it [F] take so long.
 [Dm] Alas now I've seen the light. [Bb] I've found the heart [C] to say

[F] No more the fool who [Dm] waits around,
 [Dm] Waiting for you to bring [Bb] me down. Those days are [C] gone now.
 [F] No more the nights lying [Dm] awake,
 [C] Crying and [D] waiting for the day [Bb] to break.
 [Bb] No more the [C] sound as my dreams, [F] fall and hit [Bb] the ground,
 [Bb] While I [C] wait around.
 [C] No more the [F] fool.

[C] You thought I'd break, then you were [F] wrong
 [G] That I won't see what's [Am] going on, but I [G] knew.
 [C] Here I am, I'm [F] alive [E7] and you'll see [Am] I'll survive [G] without you,
 [Bb] And I won't be the [F] one who comes running
 [Dm] It ain't like it used to be. [Bb] It's your turn to run [C] to me

[F] No more the fool who [Dm] waits around,
 [Dm] Waiting for you to bring [Bb] me down. Those days are [C] gone now.
 [F] No more the nights lying [Dm] awake,
 [C] Crying and [D] waiting for the day [Bb] to break.
 [Bb] No more the [C] sound as my dreams, [F] fall and hit [Bb] the ground,
 [Bb] While I [C] wait around.
 [C] No more the [F] fool.
