

# Prime Time – Alan Parson's Project

(Intro:-) [A] [G] [A] [G]

[A] Well even the longest night won't last [G] forever

[A] But too many hopes and dreams won't see the [G] light

[A] And all of the plans I make won't come [G] together

[G] Something in the [D] air

Maybe for the [Dm] only time in my life

Something in the [G] air

Turning me [Dm7] around and guiding me [A] right

And it's a [Dm] prime time,

maybe the [Dm7] stars were [Gm] right [A]

[A] I had a [Dm] premonition,

it's gonna be my turn [Dm7] tonight [Gm]

[Gm] Gonna be my [A] turn [D] tonight

[A] Well even the brightest star won't shine [G] forever

[A] But, all of the hands I play are working out [G] right

[A] And every move I make feels like a [G] winner

[G] Something in the [D] air

Maybe for the [Dm7] only time in my life

Something in the [G] air

Turning me [Dm7] around and guiding me [A] right

And it's a [Dm] prime time,

maybe the [Dm7] stars were [Gm] right [A]

[A] I had a [Dm] premonition,

it's gonna be my turn [Dm7] tonight [Gm]

[Gm] Gonna be my [A] turn [D] tonight
