(*Intro as verse*) *"Push The Button"* ***(x4),*** **[A], [A], [Bm], [E]**

I'm **[A]** busy throwing hints that he keeps missing.
Don't **[A]** have to think about it. I wanna kiss him,
And **[Bm]** everything around it but he's too distant.
I **[E]** wanna feel his body I can't resist it.

I **[A]** know my hidden looks can be deceiving.
But **[A]** how obvious should a girl be?
I was **[Bm]** taken by the early conversation piece,
And I **[E]** really like the way, that he respect me.

[A] I've been waiting patiently for him to come and get it.
I [A] wonder if he knows that he can say it and I'm with it.
I [Bm] knew I had my mind made up from the very beginning.
[E] Catch this opportunity so you and me could feel it cos…
[A] If you're ready for me, boy, You'd better push the button and let me know
Before I [Bm] get the wrong idea and go. You're gonna [E] miss the freak that I control

I'm **[A]** busy showing him what he's been missing.
I'm **[A]** kind of showing off for his full attention.
My **[Bm]** sexy ass has got him in the new dimension.
I'm **[E]** ready to do something to relieve this mission.

[A] After waiting patiently for him to come and get it
He [A] came over asked me if I wanted to get with him
I [Bm] knew I had my mind made up from the very beginning
Won't [E] miss this opportunity so you and me could feel it cos…
