

Red, Red Wine – UB40/Neil Diamond

[D] Red, red [G] wine [C] [D], goes to my [G] head [C]
[D] Makes me for-[G]get that I [C] still need her [G] so. [D]

[D] Red, red [G] wine [C] [D], it's up to [G] you [C]
[D] All I can [G] do I've done. [C] Mem'ries won't [G] go. [C]
[D] Memories won't [G] go.

*[G] I'd have [D] sworn that with [G] time,
[G] Thoughts of [C] you would leave my [G] head.
[G] I was [D] wrong, now I [G] find,
[G] Just one [C] thing makes me for-[D]get.*

[D] Red, red [G] wine [C] [D], stay close to [G] me [C]
[D] Don't let me [G] be alone [C] it's tearing a-[G]part [C]
[D] My blue, blue [G] heart

*[G] I'd have [D] sworn that with [G] time,
[G] Thoughts of [C] you would leave my [G] head.
[G] I was [D] wrong, now I [G] find,
[G] Just one [C] thing makes me for-[D]get.*

[D] Red, red [G] wine [C] [D], stay close to [G] me [C]
[D] Don't let me [G] be alone [C] it's tearing a-[G]part [C]
