[D] Through the mirror of my mind, **[Am]** time after time,

 To the **[Bb]** happy **[F]** time, Ooh! when **[Bb]** you were **[F]** mine.
[Bbm7] As I peer through the window, **[Gm]** of lost **[Am]** time,
[C] Lookin' over my yesterday, and all the love I gave **[Bb]** all to you

[D] (**[G]** All **[F#m]** the **[Bm]** love) all the love that I've wasted.
 (**[G]** all **[F#m]** the **[Bm]** tears) all the tears that I've tasted.

[Bb] From the hurt **[F]** that you have caused,
[D] Everywhere I turn, **[Am]** seems like everything I see,
[Bb] reflects the love **[F]** that used to be.

In **[Bb]** you I **[F]** put, all my **[Bb]** faith and **[F]** trust,
 Right **[Bb]** before my **[F]** eyes, my **[Bb]** world has **[F]** turned to dust
[Bbm7] After all the nights, **[Gm]** I sat **[Am]** alone and wept,
[C] Just a handful of promises, are all that's left of **[Bb]** loving you

 Re**[Bb]**flections **[F]** of, the love you **[Bb]** took from **[F]** me.
