(Intro) [G]

I [C] know there's [F] nothing to say [C]
Someone has [F] taken my [C] place
When [F] times go [G] bad, when [F] times go [G] rough, won't you [C] lay
me down in the [F] tall grass, and [G] let me do my stuff?

I [C] know I got [F] nothing on [C] you
I know there's [F] nothing to [C] do
When [F] times go [G] bad and you [F] can't get [G] enough, won't you [C]
lay me down in the [F] tall grass, and [G] let me do my stuff?
do it!

Someone who's gonna [F] give you peace of [C] mind When [F] times go [G]
