

Slow Hand – The Pointer Sisters

(Intro) [Bm] [D] (x4)

As the [Em] midnight moon was [G] drifting through the [D] lazy sway of the trees.
I saw the [Em] look in your eyes lookin' [G] into mine, [D] seein' what you wanted to see.
Dar[A]lin' [Bm] don't say a word, cos I already heard, what your [G] body's sayin' to mine.
I'm tired of [Em] fast moves, I've got a slow groove... [A] on my mind...

I want a man with a [D] slow hand.
I want a lover [A] with an [Bm] easy touch.
[G] I want somebody who will [D] spend some time,
Not come and go [A] in a [Bm] heated rush.
I want somebody who will [G] understand,
[A] When it comes to love, I want a [D] slow hand. [A] [Bm][D], [Bm][D]

On the [Em] shadowed ground, with [G] no one around, and a [D] blanket of stars in our eyes.
We are [Em] drifting free, like [G] two lost leaves, on the [D] crazy wind of the night.
Dar[A]lin' [Bm] don't say a word, cos I already heard, what your [G] body's sayin' to mine.
If I want it [Em] all night, please say it's alright. [A] Oooh! we got the time...

Cause I got a man with a [D] slow hand. I got a lover [A] with an [Bm] easy touch.
[G] I got somebody who will [D] spend some time,
Not come and go [A] in a [Bm] heated rush.
I've found somebody who will [Em] understand.
[A] When it comes to love, I want a [D] slow hand. [A] [Bm]

If I want it [Em7] all night, please say it's all [Bm7] right
It's not a [Em7] fast move, but a slow groove, [A] on my mind...

Cos I got a man with a [D] slow hand. I got a lover [A] with an [Bm] easy touch.
[G] I found somebody who will [D] spend some time,
Not come and go [A] in a [Bm] heated rush.
[G] I've found somebody who will [D] understand.
I found a lover [A] with a [Bm] slow hand.
[G] Ooh! a lover with a [D] slow hand, and I get all excited [A] with his [Bm] easy touch.
[G] I found somebody who will [D] spend the night,
Not come and go [A] in a [Bm] heated rush.
[G] Ooh! A lover with a [D] slow hand.

(Repeat chorus)
