

Sunshine Superman - Donovan

[C7] Sunshine came softly through my window today
[C7] Could've tripped out easy, but I've changed my ways
[F] It'll take time, I know it, but in a while
[C7] You're gonna be mine, I know it, we'll do it in style
[G7] 'Cos I made my mind up you're [F] going to be mine,

[F] I'll tell you right [C7] now
[C7] Any trick in the book, now baby, that I can find.
[C7] Superman or Green Lantern ain't got nothin' on me
[C7] I can make like a turtle and dive for pearls in the sea.

[F] You can just sit there thinkin' on your velvet throne
[C7] 'Bout all the rainbows you can have for your own
[G7] When you've made your mind up, you're [F] going to be mine
[C7] I'll pick up your hand and slowly, blow your little mind
[G7] When you've made your mind up, you're [F] going to be mine

[F] I'll tell you right [C7] now
[C7] Any trick in the book, now baby, that I can find
[C7] Everybody's hustlin' just to have a little scene
[C7] When I say we'll be cool, I think that, you know what I mean

[F] We stood on the beach at sunset, do you remember when?
[C7] I know a beach, where baby, it never ends
[G7] When you've made your mind up, [F] forever, to be mine
[C7] I'll pick up your hand and slowly, blow your little mind
[G7] 'Cos I made my mind up, you're [F] going to be mine.

[C7] Superman or Green Lantern ain't got nothin' on me
[C7] I can make like a turtle and dive for pearls in the sea.

[F] You can just sit there thinkin' on your velvet throne
[C7] 'Bout all the rainbows you can have for your own
[G7] When you've made your mind up, [F] forever, to be mine

[C7] I'll pick up your hand and slowly, blow your little mind
[G7] When you've made your mind up, [F] forever, to be mine
[C7] I'll pick up your hand and slowly, blow your little mind
