(Intro) [F]

[E]-[F] How do you do? I [G]-[G#] see you've met my,
[A]-[Bb] Faithful handy [E]-[F] man. [G#]/ [G#]/ [Bb]/
He's just [E]-[F] a little brought down, [G]-[G#] because when you knocked,
[A]-[Bb] He thought you were the [E]-[F] candyman. [G#]/ [G#]/ [Bb]/
[E]-[F] Don't get strung out, [G]-[G#] by the way I look.
[A]-[Bb] Don't judge a [E]-[F] book by its cover. [G#]/ [G#]/ [Bb]/
I'm not [E]-[F] much of a man [G]-[G#] by the light of day,
But, by [A]-[Bb] night I'm one hell of a [F] lover,

I'm just a [C7] sweet transvestite from [Bb] transsexual, Transylvan[F]ia!

Let me [F] show you around, maybe [G#] play you a sound,
You [Bb] look like you're both, (PAUSE) pretty [F] groovy,
Or if you [F] want something visual, (PAUSE) [G#] that's not too abysmal,
[Bb] We could take in an old Steve Reeves [F] movie.

We're [F] glad we caught you at home, [G#] Could we use your phone?
We're [Bb] both in a bit of a [G#] hurry. [F] Right!!
We'll just [F] say where we are, then to [G#] back to the car
We [Bb] don't want to be any [F] worry.
Well, you got [F] caught with a flat, Well, [G#] how 'bout that?
Well, [Bb] babies, don't you [F] panic.
By the [F] light of the night, it'll [G#] all seem alright,
I'll get you a [Bb] Satanic me[F]chanic!

I'm just a [C7] sweet transvestite from [Bb] transsexual, Transylvan[F]ia!

Why don't you stay for the night? ([F] Night!) or maybe, a bite? ([G#] Bite!)
I could show you my [Bb] favourite, (PAUSE) ob[F]session.
I've been [F] making a man, [G#] with blond hair and a tan,
and he's [Bb] good for relieving my, (PAUSE) [F] tension.

*I'm just a [C7] sweet transvestite from [Bb] transsexual, Transylvan[F]ia-aah!
Huh!Ha! – Hit it. Hey!
I'm just a [C7] sweet transvestite from [Bb] transsexual, Transylvan[F]ia-aah!
Huh!Ha!*

(Outro) So - come up to the lab, [F]/ and see what's on the slab.
[G#]/ I see you shiver with antici- (PAUSE) [F]/ pation.
But, maybe the rain, [F]/ isn't really to blame.
[G#]/ So, I'll remove the cause (chuckle!), but not the symptom! [F]/ [E]/
