

Take Me In Your Arms & Love Me – Gladys Knight & The Pips

(Intro as verse) [C] [C7] [F7], [G] [G7] [B7] [C] (x2)

[C] The moon above is shining bright, [C7] come on, boy, the [F7] time is right;

[G] Here I am, [G7] take me in your arms and just [B7] love [C] me, Ooh!

[C] There's a mist of ecstasy, [C7] that's flowing [F7] over me;

[G] Here I am, [G7] take me in your arms and [B7] love [C] me, oh, baby.

[G] My love is new, my love is sweet, now's the time that I'll be sweet.

[G7] Hold me, boy, don't hesitate, I need you now; don't make me wait.

[C] You're the one that I adore; [C7] tell me what are you [F7] waiting for?

[G] Here I am, [G7] take me in your arms and [B7] love [C] me, ooh.

[C] Boy, I'm hungry for your love; [C7] give me what I'm in [F7] need of.

[G] Here I am, [G7] take me in your arms and [B7] love [C] me, oh, baby.

[G] Come let's share the joy and splendour, of this moment warm and tender.

[G7] Hold me tight, kiss me long, make this night one sweet song.

(Refrain as verse) [C] [C7] [F7], [G] [G7] [B7] [C] (x2)

[B7] Love [C7] me, [B7] love [C7] me, ooh, sugar.

[C] My eager heart is pounding fast; [C7] don't lose the feeling; [F7] make it last.

[G] Here I am, [G7] take me in your arms and [B7] love [C] me, oh, baby.

[C] Take me higher with the touch, [C7] that thrills me darling, [F7] Oh! So much.

[G7] Take me in your arms and [B7] love [C] me, baby, baby.

[G] This feeling is too strong to hold; any second now I'll explode.

[G7] Now's the time, now's the time, take all of this love of mine.

[F] Love me, [G] love me, [F] love me, [G] love me; come on and [B7] love [C] me.

(Outro)

[F] I'll be true to [C] you, [F] do what you want me [G] to.

[F] Take me in your arms, [G] take me in your arms and [B7] love [C] me, oh baby.

[F] I'll be true to [C] you, [F] do what you want me [G] to.

[F] Take me in your arms, [G] take me in your arms and [B7] love [C] me, baby, baby, baby.
