

The Fog On The Tyne – Lindisfarne

(Intro) [G]

[G] Sitting in a sleazy [C] snack-bar [G] sucking,
 [C] Sickly [D] sausage [G] rolls,
 [G] Slipping down slowly, [C] slipping down [G] sideways,
 I [C] think I'll [D] sign off the [Em] dole.

*Cos, the [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [G] mine,
 The [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [Em] mine.*

[G] Could a copper catch a [C] crooked coffin [G] maker?
 [C] Could a copper [D] compre-[G]hend
 That a [G] crooked coffin maker's [C] just an under-[G]taker
 Who [C] undertakes [D] to be your [Em] friend.

*And the [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [G] mine,
 The [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [Em] mine.*

[G] Tell the truth tomorrow, the [C] day will take its [G] time
 To [C] tell you what [D] tonight will [G] bring,
 [G] Presently we'll have a pint [C] or two to-[G]gether,
 [C] Everybody [D] do their [Em] thing. [A]

(Refrain) [D] [Am] [D]// [Am] // [D] /, [D] [Am] [D] // [Am] // [D] /,
 [G] [Em] [G] //, [Em] //, [G] [Em], [A] //, [D] //,
 [G]

[G] We can swing together, [C] we can have a [G] wee wee,
 [C] We can have a [D] wet on the wall,
 [G] If [G] someone slipped a whisper [C] that it's simple [G] sister,
 [C] Slap them down and [D] slobber on their [Em] smalls.

*And the [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [G] mine,
 The [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [Em] mine.*

*And the [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [G] mine,
 The [G] fog on the Tyne is all [C] mine, all [G] mine,
 The [C] fog on the [D] Tyne is all [Em] mine.*
