

Too Busy Thinking 'Bout My Baby – Marvin Gaye

(Intro) [G] Uh-huh [Am] huh, oh [G] yeah, oh, [Am] listen to me people.

[G] I ain't got time to [Am] think about money, [G] or what it can [Am] buy.
And [G] I ain't got time, to [Am] sit down and wonder, [G] what makes a birdy [Am] fly.
And I [Bm] don't have the time, [Cmaj7] to think [Bm] about, what makes a flower
[Cmaj7] grow.

And I [Bm] never gave a [Cmaj7] second thought to [C] where the [Am7] river [G]
flows.

[G] *Too busy thinkin' 'bout my baby and*
I [C] ain't got [Am7] time for nothin' [G] else, oh yeah, now...

I said, uh, [G] I ain't got time, to dis[Am]cuss the weather,
Or [G] how long it's gonna' [Am] last.
And uh, [G] I ain't got time, to [Am] do no studyin', [G] once I get out of [Am] class.
Tellin' you [Bm] I'm just a [Cmaj7] fella; said I got a, [Bm] one track [Cmaj7] mind.
And when it [Bm] comes to thinkin' 'bout, [Cmaj7] anything but my baby,
I [C] just don't [Am7] have the [G] time.

[G] *(Too busy thinkin' 'bout my baby),*
And I [C] ain't got [Am7] time for nothin' [G] else, don't you know I'm...
[G] *(Too busy thinkin' 'bout my baby),*
And I [C] ain't got [Am7] time for nothin' [G] else.
Ooh-ooh! Ooh-ooh! yeah! Yeah!

(Refrain as chorus) [G] [C] [Am7] [G], [G] [C] [Am7] [G],

All the [G] diamonds and pearls, [Am] in the world, [G] could never match her [Am]
worth.

Naw, [G] she's some kinda' [Am] wonderful,
People tell ya'; [G] I've got Heaven, right [Am] here on earth.
[Bm] I'm just a [Cmaj7] fella; with a [Bm] one track [Cmaj7] mind.
And when it [Bm] comes to thinkin' 'bout, [Cmaj7] anything but my baby,
I [C] just don't [Am7] have the [G] time.

[G] *(Too busy thinkin' 'bout my baby),*
And I [C] ain't got [Am7] time for nothin' [G] else, you know it.
[G] *(Too busy thinkin' 'bout my baby),*
And I [C] ain't got [Am7] time for nothin' [G] else.

(Outro) [G] (Too busy thinkin' [Am] 'bout my baby,
[G] Ain't got time for nothin' [Am] else, no no).
[G] (Too busy thinkin' [Am] 'bout my baby,
[G] Ain't got time for nothin' [Am] else, no no).
