

Vienna – Billy Joel

(Intro) [Bb] [A7] [D7] [Eb] [Ebm] [Dm7] [Bb]

[Gm] Slow down you [Bb] crazy child. You're [F] so ambitious for a [G#] juvenile.
 But then if [Eb] you're so smart tell me [Bb] why. Are you still so [C] afraid? [D7]
 [Gm] Where's the fire, what's the [Bb] hurry About?
 You better [F] cool it off before you [G#] burn it out
 You got [Eb] so much to do and only. [Bb] So many hours in [C] a [D] day
 [Eb] But you know that when the [F] truth is told
 That you can [Bb] get what you want, Or, you can [Gm] just get [F] old.
 You're gonna [Eb] kick off before you [Am7] even get [D] halfway [Gm] through.
 Oh! [C] Oh! When will you [F#7] realise... [F] Vienna waits for [Bb] you

[Gm] Slow down you're [Bb] doing fine
 You can't be [F] everything you want to be be-[G#]fore your time
 Although it's [Eb] so romantic on the [Bb] borderline [C] tonight, [D7] tonight
 [Gm] Too bad but it's the [Bb] life you lead
 You're so [F] ahead of yourself that you for-[G#]got what you need
 Though you can [Eb] see when you're wrong
 You know you [Bb] can't always see when you're [C] right, you're [D] right
 [Eb] You got your passion you [F] got your pride
 But [Bb] don't you know that only fools [Gm] are satis-[F]fied?
 [Eb] Dream on but don't [Am7] imagine they'll [D] all come [Gm] true.
 Oh! [C] Oh! When will you [F#7] realise... [F] Vienna waits for [Bb] you

(Refrain) [Gm] [Bb] [F] [Bb], [Eb] [Bb] [C] [D]

[Eb] Slow down you [F] crazy child
 Take the [Eb] phone off the [Bb] hook and dis-[Gm]appear for a [F] while
 [Eb] It's alright you can [Am7] afford to lose a [D] day or [Gm] two.
 Oh! [C] Oh! When will you [F#7] realise... [F] Vienna waits for [Bb] you

(Outro)

[Eb] And you know that when the [F] truth is told
 That you can [Bb] get what you want, Or, you can [Gm] just get [F] old
 You're gonna [Eb] kick off before you [Am7] even get [D] halfway [Gm] through.
 Oh! [C] Oh! Why don't you [F#7] realise... [F] Vienna waits for [Bb] you. [G7]
 When will you [C] realise... [F] Vienna waits for [Bb] you
