

# Who's That Girl? - The Eurythmics (1983)

The **[Am]** language of **[G]** love slips **[F]** from my lover's **[Dm]** tongue  
**[Am]** Cooler than **[G]** ice cream and **[F]** warmer than the **[Dm]** sun  
**[Am]** Dumb hearts get **[G]** broken **[Bb]** just like china **[Dm]** cups  
**[Am]** The language of love has left me **[F]** broken on the **[Dm]** rocks

*But there's **[F]** just one thing. **[Am]** (Just one thing)*  
***[F]** But there's just one thing*  
*And I **[E7]** really wannna know...*

**[Am]** Who's that **[G]** girl **[Em]** running around with **[F]** you?  
 Tell **[G]** me...  
**[Am]** Who's that **[G]** girl **[Em]** running around with **[F]** you?  
 Tell **[G]** me...  
**[Am]** Who's that **[G]** girl **[Em]** running around with **[F]** you?  
 Tell **[G]** me...  
**[Am]** Who's that **[G]** girl **[Em]**

The **[Am]** language of **[G]** love has **[F]** left me stony **[Dm]** grey  
**[Am]** Tongue tied and **[G]** twisted at the **[F]** price I've had to **[Dm]** pay  
 Your **[Am]** careless **[G]** notions have **[Bb]** silenced these **[Dm]** emotions  
**[Am]** Look at all the **[G]** foolishness your **[F]** lover's talk has **[Dm]** done

**(Refrain)** **[Am]** **[G]** **[Em]** **[F]**

*But there's **[F]** just one thing **[Am]** (Just one thing)*  
***[F]** But there's just one thing*  
*And I **[E7]** really wannna know...*

**[G]** Tell me...  
**[Am]** Who's that **[G]** girl **[Em]** running around with **[F]** you?  
 Tell **[G]** me...  
**[Am]** Who's that **[G]** girl **[Em]** **[F]**  
 Tell **[G]** me...  
**[Am]** Who's that **[G]** girl **[Em]** running around with **[F]** you?  
**[G]** Tell me... **[Am]**
