

Will The Sun Ever Shine Again – Bonnie Raitt (2011)

[G7] Rain is pourin' **[C]** down like the **[F]** heavens are **[C]** hurtin'.
[C] Seems like it's been **[Em]** dark since the **[Am]** devil knows **[Em]** when,
[Am] How do you go **[D7]** on, never knowin' for **[F]** certain?
Will the **[Am]** sun ever **[Em]** shine **[F]** again?

***[F]** Feels like it's been **[C]** years since it **[F]** started to **[C]** thunder.
[C] Clouds are campin' **[Em]** out in the **[Am]** valley and **[Em]** glen.
[Am] How do you go **[D7]** on, when you can't help but **[F]** wonder,
Will the **[Am]** sun ever **[Em]** shine **[F]** again?*

What if the **[F]** rain **[G]** keeps **[Em]** fallin'?
What if the **[F]** sky **[G]** stays **[Em]** gray?
What if the **[F]** wind **[G]** keeps **[Em]** squallin',
[Am] And **[D7]** never go **[G7]** away?

[G7] Maybe soon the **[C]** storm will be **[F]** tired of **[C]** blowin'.
[C] Maybe soon it **[Em]** all will be **[Am]** over, **[Em]** amen.
[Am] How do you go **[D7]** on, if there's no way of **[F]** knowin'?
Will the **[Am]** sun ever **[Em]** shine?

***[F]** Wish I could **[C]** say,
[Am] Send me a **[Em]** sign.
[F] One little **[G]** ray. **[Em]**
[Am] Lord, if you're **[Em]** list'nin', how **[F]** long until **[D7]** then?
Will the **[C]** sun ever **[F]** shine **[C]** again?*
