

You're More Than A Number in My Little Red Book – The Drifters

(Intro)

[F] [G] [C] [Am], [Dm] [G] [C],
[C] Ooooo! [F] Ooooo! [G] Yeah! Yeah!

You're **[C]** more than a number in my **[Am]** little red book,
You're **[Em]** more than a one-night **[E7]** date,
[F] All I had to **[G]** take me was **[C]** just one **[Am]** look,
My **[Dm]** heart began a thumpin', **[G]** Babe you had it jumpin',
Cos you're **[C]** more than a number in my **[Am]** little red book,
You're **[Em]** more than a one-night **[E7]** stand,
In **[F]** case you get to **[G]** thinkin' that **[C]** you've been **[Am]** took,
You're **[Dm]** more than a number, **[G]** written in my little red **[C]** book.

[F] Oh! **[C]** Baby **[F]** give us a **[C]** chance,
[Em] Don't let the small town **[Am]** rumours,
End our **[F]** first real romance,
Now, **[F]** I'll **[G]** admit I've **[C]** loved **[G]** a **[F]** few,
But **[F]** there was **[G]** never **[C]** one **[G]** like **[F]** you,
So, **[F]** Darlin', don't **[Am]** believe the things they **[Dm]** say. **[G]**

You're **[C]** more than a number in my **[Am]** little red book,
You're **[Em]** more than a one-night **[E7]** date,
[F] All I had to **[G]** take me was **[C]** just one **[Am]** look,
My **[Dm]** heart began a thumpin', **[G]** Babe you had it jumpin',
Cos you're **[C]** more than a number in my **[Am]** little red book,
You're **[Em]** more than a one-night **[E7]** stand,
In **[F]** case you get to **[G]** thinkin' that **[C]** you've been **[Am]** took,
You're **[Dm]** more than a number, **[G]** written in my little red **[C]** book.

[F] Oh! **[C]** Baby, **[F]** you gave me a **[C]** sign,
[Em] I threw away the **[Am]** numbers,
of those **[F]** old flames of mine,
And **[F]** now they're **[G]** tryin' **[C]** to put **[G]** you **[F]** wise,
[F] Knock me **[G]** down **[C]** in my **[G]** girl's **[F]** eyes,
Oh! **[F]** Darlin', don't **[Am]** believe the things they **[Dm]** say. **[G]**

(Chorus)

Whoooo! Ooooo!

(Then repeat chorus to end)
