

You've Got The Love – Candy Staton/Florence & The Machine

[Gm] Sometimes I feel like throwing my **[F]** hands up in the air.

[C] I know I can count on you.

[Gm] Sometimes I feel like saying **[F]** "Lord I just don't care."

[C] But you've got the love I need to see me through.

[Gm] Sometimes it seems that the **[F]** going is just too rough,

[C] And things go wrong no matter what I do.

[Gm] Now and then it seems that **[F]** life is just too much.

[C] But you've got the love I need to see me through.

[Gm] When food is gone you **[F]** are my daily meal. **[C]**

[Gm] When friends are gone I know my **[F]** saviour's love is **[C]** real.

Your love is real.

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love.*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love.*

[Gm] Time after time I think **[F]** "Oh Lord what's the use?"

[C] Time after time I think it's just no good.

[Gm] Sooner or later in life, **[F]** the things you love you loose.

[C] But you got the love I need to see me through.

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

(Refrain) **[Gm]** **[F]** **[C]** **(x2)**

[Gm] Sometimes I feel like throwing my **[F]** hands up in the air,

[C] Cos I know I can count on you.

[Gm] Sometimes I feel like saying **[F]** "Lord I just don't care."

[C] But you've got the love I need to see me through.

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*

***[Gm]** You got the love. **[F]** You got the love, **[C]** And you got the love*
